An Exceptional School

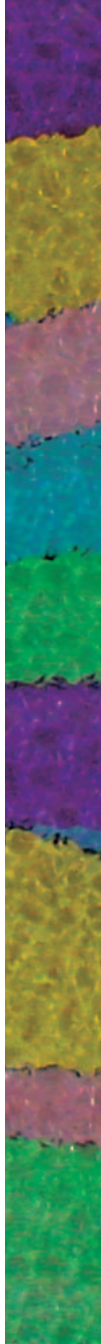

SAR High School—where innovation meets tradition in the most dynamic ways; where academic excellence and caring permeate the Judaic and secular studies; where students develop a love of Torah, Israel and the Jewish people; where learning creates a vibrant connection to the greater world in which we live.

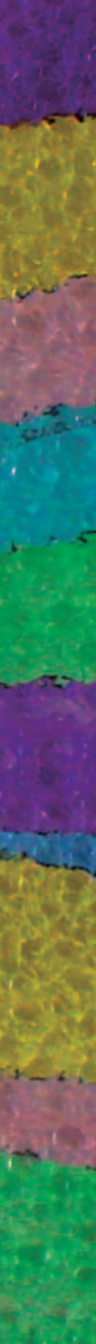

An Extraordinary Evening

SAR has commissioned an exceptional new artwork created in memory of JJ Greenberg by acclaimed Israeli artist Michael Katz, which will be unveiled at the Chanukat Habayit. In addition, a new song written especially to celebrate the high school will be debuted, as will an original theatrical piece conceived and performed by SAR High School students.

A Special Dedication

Jonathan Joseph (JJ) Greenberg lived his Jewishness with joy and carried it with great pride. Like the school he loved, JJ was able to reach out to a cross-section of people, of different backgrounds and perspectives, and instill in them a love of Judaism and Jewish life. Through SAR High School, his name and spirit will be carried forward for future generations.

Please join us to celebrate SAR High School and the extraordinary students, faculty, staff, parents, and donors who have given it life. The evening will include a special dedication of the high school in loving memory of JJ Greenberg.
